## Request for Proposal

### **Knucwentwecw Society is seeking:**

**A 'Facilitator' to conduct research, facilitate a workshop, and produce a handbook.**

The successful candidate will work with each of NStQ's four member Bands to connect with elders, and community programs including, education, health and wellness, and the language society to gather information on existing cultural programs and practices. The research gathered will form the basis for a workshop aimed at developing a handbook which outlines the required components of a Secwepemc child's cultural plan of care.

The facilitator will develop a handbook using all information gathered during the research and workshop. This handbook will be available to Delegated Agency Social Workers, MCFD Social Workers and to Foster Parents. The handbook will include information on the various cultural practices and access any opportunity information.

**The project completion date is no later than January 31, 2018**
